

A large crowd of people is gathered outside The Hordern Pavilion at sunset. The sun is low in the sky, casting a warm, golden glow over the scene. The pavilion's modern architecture, featuring a series of horizontal slats, is visible on the right. Large trees with dense foliage are on the left. The crowd is diverse in age and attire, some looking towards the camera and others engaged in conversation.

Corporate Dinner 2022

## SINCE 1924

The Hordern Pavilion is an iconic historical building and forms an integral part of the Moore Park precinct. Ideally situated on the fringe of Sydney's CBD, this unique venue is on the main route to Sydney's airport and is easily accessible by public and private transport. It is a versatile and boutique venue with the ability to hold a vast array of events.

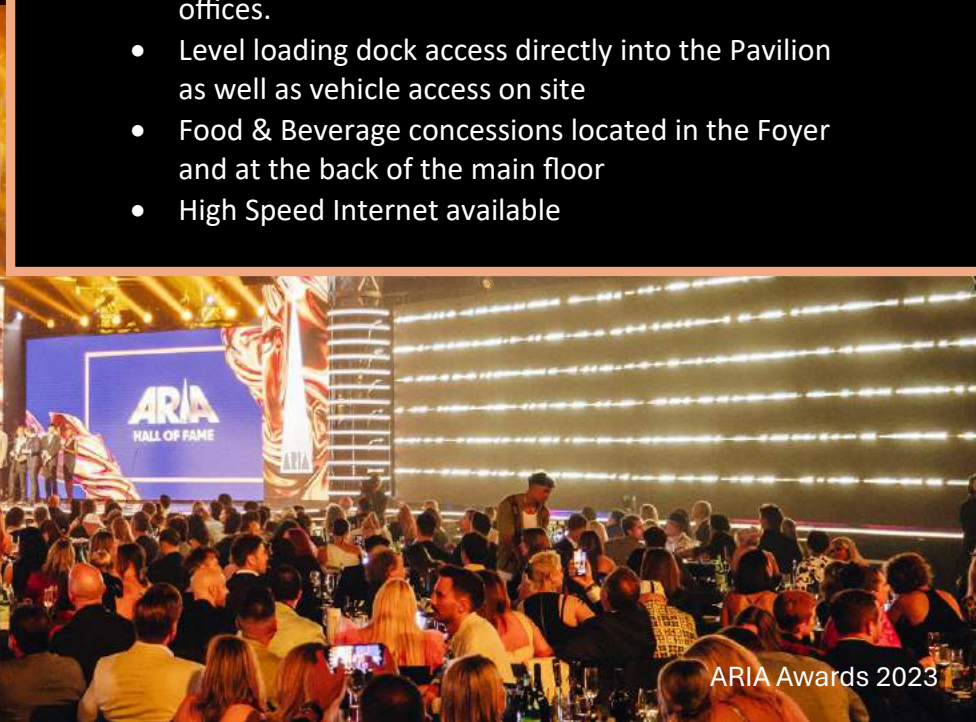

In addition to its history as the home of Australian rock 'n' roll, this landmark venue has hosted many of Sydney's prestigious special events and charity functions, such as the NRL Dally M Awards, Steve Waugh Foundation launch, AFC Annual Awards, ARIA Hall of Fame 2010, AFI Awards, Gold Dinner, Cure Brain Cancer Gala, FIFA World Congress and the Great Gatsby Premier to name a few.

TEDxSydney 2023

## VENUE FACILITIES

### AIR CONDITIONING

The venue and the foyer are fully air conditioned. All dressing rooms and offices have individual air conditioning units.

### FOYER

A portable information desk and portable merchandise outlets are available in this space. The foyer has a separate lighting dimming system and controls for the foyer and forecourt PA system.

### TOILETS

At floor level there are 30 female toilets at the south-eastern corner, plus a disabled toilet. The south-western corner has 6 male toilets plus urinals, plus a disabled toilet. Accessible from stairs in the foyer are an additional 29 female toilets and 4 male toilets plus urinals, in the south-western basement level.

### DRESSING ROOMS

Back of house there are 3 large dressing rooms, each with a toilet and shower. The rooms closest to the stage can be used as a production office, dressing room or servery (each has a large roller shutter opening into the Hall). The second dressing room on the western side has a small kitchenette. The eastern side also has a small production office.

### GREEN ROOM

Upstairs on the eastern side of the venue sits a large air conditioned Green Room (100m<sup>2</sup>) with full kitchen facilities and toilets.

### SEATING

New state of the art seating is now installed at the venue. The multi-configurable mechanically driven seating units provide a flexible space for various event modes including exhibition, theatre, in the round, reduced or full GA standing concerts.

### THE PLAZA

The Plaza area in front of the Hordern provides a large outdoor licenced area for patrons during concerts and events. The 2081m<sup>2</sup> space can also be hired for outdoor functions and live music events with access into the foyer for toilets and ample power and water outlets supplied.
