

THE HORDERN

VENUE HIRE INFORMATION

HORDERN PAVILION OVERVIEW

The Hordern has long been one of Sydney's favourite entertainment venues. Frank Sinatra, Coldplay, Florence + the Machine, Justin Timberlake, Nirvana, Lorde, Queen, and even The Jackson Five - it all happened here! Set in the Moore Park Precinct, the Hordern's historic facade disguises a versatile venue packed with potential.

Many millions of people have been through its doors - to dance, to sing, to dine, and even do business. Live music, film premieres, gala dinners, product launches such as the Rolling Stone re-launch, awards nights such as the ARIA's and Dally M's as well as exhibitions like Life InStyle and One Fine Baby.
