

THE HORDERN

VENUE HIRE INFORMATION

HORDERN PAVILION OVERVIEW

The Hordern has long been one of Sydney's favourite entertainment venues. Frank Sinatra, Coldplay, Florence + the Machine, Justin Timberlake, Nirvana, Lorde, Queen, and even The Jackson Five - it all happened here! Set in the Moore Park Precinct, the Hordern's historic facade disguises a versatile venue packed with potential.

Many millions of people have been through its doors - to dance, to sing, to dine, and even do business. The venue has hosted live music, film premieres, gala dinners, product launches such as the Rolling Stone relaunch, award ceremonies such as the ARIA Awards and Dally M Awards, and exhibitions like Life InStyle and One Fine Baby.
